**Business:** The group's principal activity design and manufacture high-performance commercial boats used by fire, police, and military personnel for fire, rescue and patrol. The groups products combine innovative designs with power, safety, handling and stability to create boats designed to protect and save lives. The innovative patents and patents-pending that we license, give the boats eye-catching visual market retention, and a competitive advantage in the boating industry, home defense and world markets. Each model of commercial boats come equipped with mercury marine sport jet 175 xr2 two stroke engines that generate 175 horse power, and mercury marine single stage axial flow jet pumps. The boats come with a two-year warranty on the engine, the fuel system, and the electrical system, and a five-year warranty on the hull.
