

338 - Championlyte Holdings Inc

Business: The group's principal activity is to provide high-powered community repeater dispatch services to businesses and government agencies throughout the United States. The group's customers are government agencies and private carriers providing telephone service to remote towns and villages with low density populations. The customers of the group primarily consist of businesses and government agencies located in both metropolitan and rural geographic regions. The operations performed by the group include billing, maintenance of subscriber records and federal communications commission licensing activities. As of 31-Dec-2003, the group serves approximately 550 trunked dispatch customers in selected major metropolitan areas utilizing over 10,000 subscriber units in 6 states.

Business: The group's principal activity is to construct and sell manufactured homes. The group mainly produces single-story, ranch-style homes and also builds one and one-half story and two-story homes, cape cod style homes and multi-family units such as townhouses. It also provides loans to consumers who purchase the group's manufactured homes from both the group-owned and independent retailers. The group operates through two divisions: manufacturing and retail. At 03-Jan-2004, the group operated 30 manufacturing plants in 14 states in the United States and two provinces in western Canada and 78 retail locations in 21 states. In 2003 the group discontinued homepride finance corp, its financial services segment.

Business: The group's principal activity is to develop sugar-free, carbohydrate and calorie free isotonic sports beverage. The products are sold under the trademark sweet 'n low(R) and champion lyte (r). The products include the sweet 'n low brand syrup and champion lyte refresher drinks. Sweet 'n low brand syrup is a fat-free, sugar free flavored syrup. The group manufactures and bottles its products under co-packing arrangements with third parties. The principal customers for the syrup are the food retailers, such as supermarkets, drug store chains, discount stores and warehouse centers and institutional entities. On 20-Aug-2003 it acquired old fashioned.
