Business: The group's principal activities are to mine, process and sell bituminous, low sulfur, steam and industrial grade coal primarily to electric utility companies and industrial companies. The mining operations of the group are managed through five operating subsidiaries located throughout eastern Kentucky. The group operates a total of 14 underground mines. It also has rights to another six mines that are typically mined by independent contract mine operators, out of which four are underground mines and two are surface mines. On 25-Mar-2003, the group filed for bankruptcy under chapter 11 and on 06-May-2004, it emerged from bankruptcy proceedings.
