Business: The group's principal activity is to provide a wide range of banking services which includes saving products and origination of real estate mortgage loans through thirteen branches. It acts as a holding company for timberland bank. It attracts deposits from the general public, and uses those funds, along with other borrowings, to provide primarily real estate loans to borrowers in western Washington, and to invest in investment securities and mortgage-backed securities. The group accepts deposits including money market deposit accounts, checking accounts, regular savings accounts and certificates of deposit. It originates loans secured by one-to-four family residential dwellings, including an emphasis on construction and land development loans, as well as multi-family and commercial real estate loans.
