Business: The group's principle activity is to provide online auction and promotions technology that enables marketer to market excess inventory. It offers a wide range of service, technology and expertise to help large merchants maximize yield on clearance, excess and off-lease inventory and to realize process efficiencies. The services are used in four primary areas: retail and discount clearance, promotions and interactive marketing, business-to-business surplus and outsourced auctions and e-commerce to portals and other Web communities. The customers of the group include retailers, distributors and manufacturers as well as Internet portals and other Web communities engaged in e-commerce. On sep 4, 2003 the group sold all of its operating assets to ebay inc. The group provided services to certain retained customers in the United States and United Kingdom until dec 31, 2003. The group's quarterly revenue for Sep'07 was 6.43 millions of USD.
