Business: The group's principal activities are to provide electronic media duplication and packaging services. The group provides duplication and packaging services for compact disks, digital videodisk and videocassette tape. The sales of electronic media duplication and packaging services of the group are primarily the duplication and packaging of a customer's pre-recorded video programs. The programs are principally used for education, promotion and documentation of the customer's products or services. The group provides services to create multiple copies of a customer's material on videotape, compact disks CD and DVD formats with related packaging. The main target markets for services are business, religious, government and other non-profit organizations.
